menampilkan semua data final yang telah di insert dan diubah dalam database

The screenshot displays the Postman application interface. At the top, the navigation bar includes a search bar labeled "Search Postman" and buttons for "Invite", "Upgrade", and a minus sign. Below the navigation bar, the left sidebar shows the "Collections" and "Environments" sections. The main workspace is titled "POST http://localhost/Praktikum5/TampilData.php". The "Body" tab is selected, showing a JSON array of two objects. The "Send" button is visible on the right. Below the request, the "Body" tab is selected, showing the response body. The response is a JSON array of two objects, identical to the request body. The status bar at the bottom indicates "Status: 200 OK", "Time: 17 ms", and "Size: 369 B".
